Your Information

Generally, you can visit this Web site without identifying yourself. However, our web server collects the domain names of visitors, may place a "cookie", on your computer's hard drive which allows the server to identify your computer on subsequent visits. This protocol allows our server to track statistical information about access to our site. This cookie does not collect your name or any personal data. Tracked data is not shared with anyone other than contractors who assist Metaloids in these efforts and are bound to confidentiality. However, if you prefer not to accept cookies, you can set your browser to reject them.

If you want us to provide you customer information then we will need to collect personal information from you. The information comprises your name, company name, address, telephone, fax number or e-mail address. We may share the personal information you provide with our vendors who are bound to use personal information we share with them to perform specific services. Metaloids does not disclose personal information about you to any third-parties for their marketing use. Metaloids will release personal information about you if you permit us to so, if we are required by law, or to protect your account from fraud but with your approval.

Information Access

You may review and update the information that you provide to us through this Web site by contacting us as described below.
